LIST

If a mind mour be as impercious to the light of evidence as a block of wood is to the rays of the sun.

No man could have observed the manifestations of the feelings of the American and the Attanceron parties for some rouths are successful to the soft of the two was most likely to create vicined to find at the polls difficulties which might be without seeing and understanding at once which of the two was most likely to create vicined to find at the polls difficulties which might be manifestation and the Attanceron parties for some rouths were made to find at the polls difficulties which might be without seeing and understanding at once which of the two was most likely to create vicined distandance on the day of the effection. All along, the contrast between the two parties has been most earlier that the polls which were presented to the manifestation at the polls was some poor, epondably never more the existence of the country commenced, his there been any ottone perfect what to willfified and calciumitated and cursued and sizelifed its political epiponenia to message and mile private intercourse for sounds, but the soft lifted and calciumitated and cursued and sizelifed its political epiponenia to message and an overcome only by the infinite number of successing the political epiponenia to message to a constitution. Young derone has non-interesting the political epiponenia to message to a constitution. Young a having been saidly more relations to the relation of private intercourse of successing the political epiponenia to message to a constitution of what was reportive that to will life of a constitution of which was a some provided by the late of the political epiponenia to message to a constitution of what was reportive that to will life of the political epiponenia to message to the political epiponenia to message to a constitution of what was reportive that to will life the political epiponenia to message the political epiponenia to message that the political epiponenia to message the political epiponenia ty nave been cause and similing and good-nave upon mored and courteous, rarely losing them lements, exercise of the right of suffrage.

Exhibition, that—

In truth, we are a nation of democracy and superior seeking to obtrude their opinions upon Several allusions have been made by the Sagsever seeking to obtrude their opinions upon social and too often perhaps submitting to indecorous language which they knew to be aimed at them by their opponents. Now we repeat that so rational person can have observed that so rational person can have observed thus remarkable contrast between the parties, as all most have observed it, without a deep and ed by the following communication significant through the property of the seventh which is a limited to the seventh which is a limited to the property of the seventh seventh is a limited to the property of the seventh seventh

bundreds of firearms not to make or resist aggression at the polls but to shoot down American can citizens from barricaded houses at points remote from the places of voting. The few difficulties at the polls amounted to little or nothing. They were absolutely nothing in comparison with what had occurred on previous occasions of a similar character. More is and by the Anti-American about the disturbances at the Sixth ward polls than at any other, and we do not doubt, that, in some instances, the American shere were wrong, yet a prominent gentleman of that ward who voted the Anti-American about the half-order of American in the fire and allowing except that the Journal is a mathematical by one of the Anti-American principles, rejecting the impartial account which has been published by one of the Anti-American personness for him efforts to preserve the peace there, informs us, that the first to preserve the peace there, informs us, that the first violence of training and the most respectable and reliable newspapers throughout the country, so far as they have by an Irishman to an American a how given by an Irishman to an American a how given by an Irishman to an American a house the first of the recent roots in this city mark very distinctly the entitient of the recent riots in this city mark very distinctly the entities of the recent riots in this city mark very distinctly the entities of the recent riots in this city mark very distinctly the entities of the recent riots in this city mark very distinctly the entities of the recent riots in this city mark very distinctly the entities of the recent riots in this city mark very distinctly the entition of the statements of the recent riots in this city and boiling the the afflication of Sag-Nicht organs but at Bordeaux, France, alted 7th uit:

The prospects for the wine crop are unto he that date fast year. The vines the strict than of this date fast year. The vines the testificant the recent riots in this city and bould what the oblition ists. We find not only the Sa a blow given by an Irishman to an American tragic act of violence, give us the credit of

The state of the s

DISTRANCE AT THE POLLS.—Much add has been made by the Sag Nicht organs about the save made by the Sag Nicht organs about the save miles and the students with the save took placeral disturbances which they assert took placeral disturbances which they assert took placeral may be an excellent recipe for the manufaction with the slaveholding Resisant is another of advistration and who at all agreed received to the an excellent recipe for the manufaction with the place to the place of the students and bruise them; to every gallon disturbances which they assert took placeral and wet raise a dozen. Massachistate does a many resonable in the place of the place of the placeral party on that day polled more than any resonable in the place of the placeral party on that day polled more than any port polling water. Let the them and wet raise a dozen. Massachistate does not have the place of the placeral party on that day polled more than any port polling water. Let the them and wet raise a dozen. Massachistate does not have the placeral party on that day polled more than any port polling water. WEDNESDAY, AUGUST 16, 1885.

| polls occurred in this way: An Irishman was going up to vote, and his votewas challenged in a very low ebb: cotton cloth makes por break, and machinery is indigestable. Our proof break it fills in our columns. To the certificates in a relative of his has appealed to us to publish the regoinder as un act of justice. We do so, though two can but ill afford the large space boat and machinery is indigestable. Our proof break, and machinery is indigestable. Our proof break and machinery is indigestable. Our proof break it is fill in our columns. To the certificates in a very low ebb: cotton cloth makes proof break and machinery is indigestable. Our proof break and machinery is indigestable. Our proof break it is fill in our columns. To the certificates embodied in Mr. Wickliffe's publication, the weet of the substance of the embodied in Mr. Wickliffe's publication, the embodied in Mr. Wickliffe's publication, the embodied in Mr. Wickliffe's publication, the embodied in M

ILLIBERALITY OF THE ANTI-AMERICAN ent at Bordeaux, France, dated 7th ult.:

tave come to us since the commission of the cut, to introduce any more witnesses in regard to the expressions of your letter to Edminds, so tragic act of violence, give us the credit of having over however all such comparative candid statement of these events.

In a comparative control of the second roots in our city, but Mr. James McDonald, who kept a grocery in one of Quinn's and thereby do yourself an act of justice.

C. A. WICKLIFFE. trifles as the usual crowdings, elbowings, and blows at the polls in a warmly-contested election, matters wrong in themselves, but herer considered as a justification or even a provocation of hlood, we must beg leave to concentrate tion of hlood, we must beg leave to concentrate do well and never do wrong. The Pittsburg public attention upon the one great and important fact, a fact established a conclusively as any fact on earth was ever established, that, up to all the blame on the Americans:

DISTURBANCES AT 188 POLLS,-Much ado Something to Reflect Upon.-A Massa- Blackberry Wine,-The following is said

polls occurred in this way: An Irishman was "Our mainfacturing establishments are just light the rejoinder as un act of justice. We do

this remarkable contrast between the parties, as all most have observed it, without a deep and mentitable convertion, it at, if a violent collision on the day of the election was to take place the Anti-American party must be the one from which it would come.

And, if there is virtue in human evidence, if faith is to be reposed in the aworn testimony of men and women, if the solema assertions and oaths of numerous respectable withcresses are not a lie, the riots did originate with the Anti-American party and were are much preconcerted and determined on by that party as ever a battle was to admit affire and interest on the pleased on the time, and lave them pass out as but one unpleasant occurrence. An Irish the crowding and a few fist-lights, which always extend the place becoen telection days, were foreknows by both parties; but the Germans and the Irish, acting no doubt at the instigation of imprincipled and fiend-like native-born trailors and in-plead in-plead and fiend-like native-born trailors and in-plead in-plead and fiend-like native-born trailors and in-plead in-plead in-plead and fiend-like native-born trailors and in-plead in-plead in-p

All the parties charged with noting and contined in jail have now been examined.

The John Tompkins left Eastport on Saurday for this port. She is advertised to leave here on Saurday next.

The Lounville Female College was chartered two years ago by the Legislature of this State with full college powers. See advertusement. It is managed by an able Faculty under the supervision of a Soard of Tristes, of which Lews Ruffner, Hon. Wm. F. Bullock, and Wm. Kendrick are members. This college confers the literary degree of A. B. upon those who complete its regular classical course of study, and M. E. L. upon graduates in English literature and mathematics. It is an institution established jupon a liberal basis, and is, we doubt not, highly worthy of public confidence, while the lake S. perior ship canal was opened.
